The Methodist Campground is one of Des Plaines' unique treasures. A mysterious and beautiful place, the grounds remain a point of interest for out of town visitors and natives alike.

On October 17th, the Des Plaines History Center is offering a special walking tour of the grounds. The tour includes beverages and snacks from 9:30-10am, followed by a 45-60 minute walking tour led by Campground staff member Ray Hund.

William Grice & Janet Thompson are the new DPHS trip and tour coordinators. We thank them for their hard work on the Society's behalf. More tours and trips will be offered in the upcoming months.
